DEFINITIONS AND FORMULAS for Civil Narcotic Addict Commitments

TIME SERVED IN CDC INSTITUTIONS (CDC Months): The time served in months in a CDC institution by civil narcotic addict first releases to outpatient status whose commitment status at admission was a new admission or outpatient returnee with a new civil commitment by the courts. The time is calculated from the date of admission to a CDC institution to the date of first release to outpatient status.

TIME SERVED IN CUSTODY PRIOR TO CDC (Jail Months): This time is the sum of the time spent in non CDC custody (primarily jail custody), in a CDC institution for a 90-day evaluation, and in a mental facility prior to admission to CDC.

TOTAL TIME SERVED ON CIVIL COMMITMENT (Total Months): The time served in a CDC institution plus the time served in custody prior to admission to a CDC institution.

PRINCIPAL OFFENSE: The controlling offense designated by the court as the base term, usually the offense that keeps the offender in custody the longest period of time.

IN DATE: The date an offender enters a CDC institution. (See formula on the next page).

OUT DATE: The date an offender is first released to outpatient status. (See formula on the next page).

START DATE: The date the civil commitment begins. This date is used for calculating the release date from CDC. (Note: In most cases, the Term Start Date and the In Date are the same.)

XDAYS: The number of days on escape from an institution. (Note: These days are deducted from the CDC months served.)

P1203.3: Represents time spent in CDC custody for a 90-Day evaluation. At the time of the evaluation, the offender has not been sentenced to prison. The court is asking CDC to evaluate the offender and make a recommendation as to the disposition of his case, e.g., probation or a commitment to state prison.

P2900.1: Credit for time spent in CDC custody on a case for which the offender was resentenced. (For example, the case for which the offender was originally sentenced was vacated or recalled and the offender was resentenced on the same case. CDC discharged the old case and applied the credit for time served in CDC to the new case. CDC can administratively grant this credit, if the court neglects to grant it.)

P2900.5: Credit granted by the court at sentencing that represents credit for time served in a non CDC facility prior to sentencing.

DEFINITIONS AND FORMULAS for Civil Narcotic Addict Commitments (Continued)

MENTAL HEALTH: Credit for time served on a case for which an offender was committed to a mental health facility. If the court commits an offender to state prison as a civil narcotic addict, the time previously spent at a mental health facility is deducted from the length of the civil narcotic addict commitment.

POST SENTENCE: Credit for the number of days an offender spends in local custody, between the date of the court commitment and the date of arrival to a CDC institution. CDC administratively calculates and applies this credit.

FORMULAS FOR CALCULATING CDC TIME AND IN CUSTODY PRIOR TO CDC

CDC TIME

CDC TIME=(Out Date - In Date) - (X DAYS)

Out Date = Date of Release to Outpatient status
In Date = Date of Admission
X DAYS = Days on Escape

IN CUSTODY PRIOR TO CDC

IN CUSTODY PRIOR TO CDC=Sum(P2900.5, Mental Health, Post Sentence, P1203.03)

Note:

1. Because "resentenced time" is already included in calculating CDC time, the P2900.1 credits are not included in the CDC time formula.
2. The P2900.5 credits for a parole violator returned with a new term, whose return status at the time of admission to CDC custody was a parole violator returned to custody (PRTC) or pending revocation (PENDREV), are included in CDC time. If the P2900.5 credits exceed the time between the In Date and the Start Date, the remaining credits are added to the time served in custody prior to CDC.
3. Inmates with missing offense information are not included in time served computations.

4. The means and medians for non-CDC custody and CDC months served may not add to the total months served due to independent calculation and/or rounding.
